

REMARKS

Claims 1-10 are pending.

Applicants have amended Claims 2, 4, and 5 to improve readability. No new matter is added by the amendment.

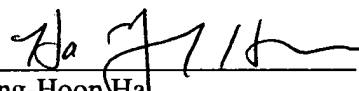

Claims 1-3 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over Claims 1, 2, and 4 of U.S. Patent No. 6,643,165 (Office Action, p. 2). Applicants are herewith submitting a Terminal Disclaimer. Applicants respectfully submit that this Terminal Disclaimer overcomes the rejection of Claims 1-3 under the judicially created doctrine of obviousness-type double patenting. Claims 4-10, which are dependent on allowable Claim 1, are also allowable.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

No fees are believed to be due; however, please charge any fees which may become due, or credit any overpayments, to our Deposit Account No. 08-0219.

Dated: January 6, 2006

Respectfully submitted,

By
